**REGISTER:** <http://centermassinc.com/advanced-pistol-workshop>

**DESCRIPTION:** This school is designed as a continuing education & training event for police officers. This course is intended for police officers and agencies looking to take the proficient individuals training to the next level. This is an ideal school for an agency's active assailant response trained officers and budding tactical team or firearms instructor candidates. All students receive a certificate of attendance and class ranking as many events will be conducted for score. This course will feature an extensive coverage of basic skills and drills, then progress to several applicable and relevant law enforcement courses of fire and advanced techniques. Attendees can expect a high volume of all the following: movement/shooting on the move, use of cover, low light, all manner of positions, one handed shooting, disabled officer/wounded re-function techniques, and other relevant officer survival skills to include judgment in the use of deadly force.

**EQUIPMENT:** 1000 rounds of pistol ammunition, semi-automatic pistol (more than one may be brought to the course), duty rig with at least 3 magazines (8 if carrying a single stack or less than 8 round capacity), concealed carry rig for duty handgun (unless another weapon is carried), off duty, backup, and concealment pistols with ammunition and holster-wear, high intensity handheld tactical flashlight with spare batteries, pistol cleaning gear, locking device/container for off duty and transport, writing materials, 2-dozen business cards, billed baseball type cap, wrap around protective eyewear (sunglass and clear) with case and lens cleaning materials, hearing protection-ear muffs. Personal body armor is mandatory.

**INSTRUCTOR:** Rob Donaldson

**LODGING:** Park Place Hotel 300 E. State St. Traverse City, MI 49684 **Phone:** 231-946-5000

**Reference:** G.T. Sheriff's Office for reduced rate
