Training Announcement

Teaching, Educating, and Mentoring (TEAM) School Liaison Officer Program

The Michigan State Police, Grants and Community Services Division, Prevention Services Section, will provide school liaison training for sworn officers and school liaison officers working with youth. TEAM training focuses primarily on a proactive effort to make schools and communities safer, and on promoting responsible citizenship and positive character traits among students in grades K-12. Individuals attending this training will also receive essential information regarding school violence, bullying, classroom management, public speaking, school and community relations, and safety issues. The curriculum compliments the Michigan Model for Health Curriculum utilized by all schools in the state of Michigan.

Seating is limited and is expected to fill quickly.
