Training Announcement

Law Enforcement Response to Missing Persons Investigations

Did you know there are more than 4,000 missing persons in the state of Michigan at any given time? While many are located quickly, thousands remain inactive for more than a year. This training is designed to educate and enhance best practices regarding missing persons and unidentified remains investigations.

Course topics include:

- Federal and State Missing Persons Law's
- Child Abductions and the AMBER Alert
- Human Trafficking
- The NamUs Database
- Unidentified Human Remains
- Using DNA Technologies on Long Term Missing Persons Investigations
